

Applicant: Fatih M. Ozluturk
Application No.: 10/028,832

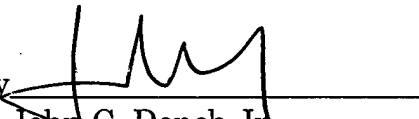

REMARKS

Claims 13-36 are pending in this application. Claims 13-36 stand provisionally rejected under the judicially created doctrine of double patenting over claims 1-22 of copending U.S. Application No. 10/080,835. Additionally, the Examiner has requested that the disclosure be amended to reflect that Application No. 09/591,611 has issued as U.S. Patent No. 6,373,830. To obviate the provisional double patenting rejection, enclosed herewith is a Terminal Disclaimer. To comply with the Examiner's request, paragraph three has been amended as requested by the Examiner.

In light of the Terminal Disclaimer enclosed herewith and the amendment to paragraph three, the Applicant respectfully requests allowance of claims 13-36. If the Examiner does not believe that the claims are in condition for allowance, the Examiner is respectfully requested to contact the undersigned at 215-568-6400.

Respectfully submitted,

Fatih M. Ozluturk
